## Financial Statement and Acknowledgement

### **Financial Statement**

*As a patient of Integrated Rehabilitation Services, LP (IRS), your insurance coverage is verified to determine available benefits. Even though this information is reliable, it is not guaranteed. You are responsible for knowing the benefits, limitations, and/or restrictions that your policy may stipulate.*

*We base our information regarding your insurance coverage on what we are given by your insurance company when we verify your coverage. We then convey this information to you as a courtesy when we file insurance claims on your behalf. The exact determination of benefits occurs at the time your insurance company pays the claim. Every effort will be made to notify you should a difference occur between what was expected and what was actually paid. You do however, receive notification directly from your insurance carrier what they paid to us, and it is reflected on your monthly statement.*

*We must emphasize that as medical providers, our relationship is with you. While the filing of insurance claims is a service that we extend to our patients, it is your responsibility to see that your charges are paid in full. Any known deductions including deductibles, co-pays, co-insurance, or non-covered services/supplies are due at the time of service. Any amounts rejected for any reason by your insurance company are due at the time of their rejection. Outstanding patient balances over 60 days are subject to an 18% APR finance charge. Delinquent accounts will be referred to our attorney, collection agency, or small claims court.*

### **Patient Acknowledgement**

I agree that, all costs incurred for collections including finance charges, collection costs, reasonable attorneys' fees and court costs are my responsibility.

Payment is expected at the time of treatment for all deductibles, co-pays, and co-insurance. Due to carrier requirements for treatment/authorization, failure to provide active coverage prior to your visit will result in your financial responsibility for those services. I understand and agree that I am financially/legally responsible for full payment of my bill for services and that any failure of my insurance carrier to pay for all or any part of my bill does not constitute a reason for me not to pay. I understand that my insurance policy is a contract between me and the carrier, and that Integrated Rehabilitation Services, LP is not responsible for settling disputed claims. IRS will provide the necessary information regarding my treatment in order to facilitate payment of my claim for benefits.

In addition, I have been advised that my failure and/or denial to provide accurate insurance information prior to, or upon my initial visit constitutes my classification as a self-paying uninsured cash patient. This classification will cause me to forfeit and or relinquish all subsequent discounts, agreements, adjustments, benefits, and arrangements that IRS may have contractually accepted with any or all third party insurance carriers. This will supersede and replace any prior obligation that IRS may have.

In the unlikely event my insurance carrier determines that care provided to me under the referral of my physician is "not medically necessary", I hereby have been provided prior notice that I am fully responsible for any charges not paid by my insurance carrier based on their decision.

I also understand that IRS requires 24-hours' notice for cancellation of scheduled appointments and I may be financially responsible (not my insurance carrier) for late cancellations and missed appointments (no shows).

I have read and understand the Integrated Rehabilitation Services, LP Financial Statement and Patient Acknowledgement.
